THE ARRAN SOCIETY OF GLASGOW

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 SEPTEMBER 2020

The trustees present their report with the financial statements of the charity for the year ended 30 September 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the charity (known as "the Society") as set out in its rules and regulations are:

1. The support and encouragement of benevolent, cultural and educational objects connected to the Island of Arran or the natives thereof.
2. Relieving the needs of the residents or former residents of the Island of Arran, or their descendants, or other persons eligible to be members of the Society.
3. The education or advancement in any trade or profession of deserving persons eligible to be members of the Society by means of grants.
4. The collection, preservation and publication of the history and folklore of the Island of Arran.

Grantmaking

Applications for grants are made directly to the Society. Grants are paid at the discretion of the trustees.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The trustees believe that during the year under review the Society achieved its objects, awarding grants in the sum of £4,370 (2019: £6,6,291). The trustees will closely monitor income and expenditure in the current year and will continue to consider applications in order that the income available can be utilised towards the objects of the Society.

Significant events

In December 2019, a novel strain of coronavirus ("COVID-19") surfaced in Wuhan, China, and has spread around the world, with resulting business and social disruption around the world. COVID-19 was declared a Public Health Emergency of International Concern by the World Health Organization on January 30, 2020.

FINANCIAL REVIEW

Financial position

A detailed Statement of Financial Activities can be found at page 6 to these financial statements. With income from donations, investments and fundraising events more than expended on costs for the year and after taking into account net investment losses the Society showed a net decrease in funds of £12,164 (2019: increase of £2,011).

The main contributing factor to this movement in the results as achieved is the fall in the investments value due to the COVID-19 pandemic. The net losses for the year were £11,795 being £1,996 of realised gains and £13,791 unrealised losses (2019: Net gain of £3,369 being £969 realised losses and £4,338 unrealised gains).

Investment policy and objectives

The trustees have considered the most appropriate policy for investing funds and have appointed Investec Wealth & Investment Limited as investment managers. The Society has invested mainly in UK equities, although some investment has been made in foreign securities. The requirement of the trustees is that the investments generate both income and capital growth. The trustees are satisfied that the management and performance of the investments in the year conforms to these requirements.

Reserves policy

It is the policy of the Society to maintain the capital fund to generate annual income for distribution. The Society will not distribute funds greater than the revenue account balance. Donations, legacies, or other sums paid, or which may be paid to the Society subject to restrictions or conditions as to the disposal or application thereof, shall be held and applied in accordance with such restrictions and conditions.

THE ARRAN SOCIETY OF GLASGOW

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 SEPTEMBER 2020

FINANCIAL REVIEW

Going concern

In their assessment of going concern the trustees have considered the current and developing impact on the Society as a result of the COVID-19 virus. The value of the Society's investment portfolio has been impacted as a result of the global lockdown, and it is anticipated that income will reduce as companies restrict dividend payments in light of the economic impact of the pandemic. It is not clear how long the current circumstances are likely to last and what the long term impact will be.

The Society is in a strong financial position and cash flow is not an immediate problem. The trustees will assess income and reserves and monitor grant and other expenditure. They therefore have a reasonable expectation that the Society has adequate resources to continue in operational existence for the foreseeable future. They continue to believe the going concern basis of accounting appropriate in preparing the financial statements. There are no material uncertainties about the Society's ability to continue as a going concern.

FUTURE PLANS

The trustees of the Society will continue to consider applications in order that the available income can be utilised towards the Society's objectives.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document and constitution

The Society is an unincorporated membership entity registered with OSCR as having charitable status. The Society is governed by its rules and regulations.

The persons eligible for membership are natives of the Island of Arran, persons married to natives, descendants of natives, persons who are permanently resident on the island and any other persons interested in the Island of Arran.

Recruitment and appointment of new trustees

The Office Bearers of the Society are its trustees for the purposes of charity law and throughout this report are collectively referred to as the trustees.

The power to appoint and remove trustees rests with the members as set out in the rules and regulations of the Society.

Induction and training of new trustees

Induction and training as required is given on appointment of new trustees by the serving trustees.

Key management remuneration

The trustees, who meet regularly, are responsible for directing and controlling, running and operating the charity on a day to day basis and are thus deemed to be the key management of the Society. The trustees give their time freely and receive no remuneration.

Risk management

The trustees of the charity are aware of the risks the Society faces and consider that adequate procedures are in place for dealing with risk assessment, particularly in relation to the management and control of the Society funds, including the investment portfolio, and also in relation to the disbursement of grants. All procedures are periodically reviewed to ensure they still meet the needs of the Society.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"

THE ARRAN SOCIETY OF GLASGOW

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 SEPTEMBER 2020

STATEMENT OF TRUSTEES' RESPONSIBILITIES - continued

The law applicable to charities in Scotland, the Charities and Trustee Investment (Scotland) Act 2005, Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the charity's constitution, requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

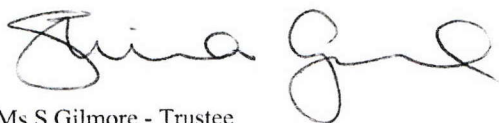

DISCLOSURE OF INFORMATION TO INDEPENDENT EXAMINER

So far as the trustees are aware, there is no relevant information of which the Society's Independent Examiner is unaware, and each trustee has taken all steps that he or she ought to have taken as a trustee in order to make himself or herself aware of any relevant information and to establish that the Society's Independent Examiner is aware of that information.

INDEPENDENT EXAMINER

Marion Hopper for and on behalf of Hardie Caldwell LLP, Chartered Accountants, has acted as Independent Examiner for the year ended 30 September 2020 and has indicated her willingness to continue in office.

Approved by order of the board of trustees on 3 December 2020 and signed on its behalf by:

Ms S Gilmore - Trustee

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
THE ARRAN SOCIETY OF GLASGOW**

I report on the accounts for the year ended 30 September 2020 set out on pages six to fifteen.

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under Section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention :

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
- to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
 - to prepare accounts which accord with the accounting records and to comply with Regulation 8 of the 2006 Accounts Regulations

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

THE ARRAN SOCIETY OF GLASGOW

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2020

1. GENERAL INFORMATION

The Arran Society of Glasgow is a registered Scottish charity (Charity Number SC014603) and constitutes an unincorporated charity.

The principal address of the charity is Flat 2/1, 7 Thistle Terrace, Glasgow, G5 0SJ.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

The financial statements of the Society have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The financial statements have been prepared under the historical cost convention with the exception of investments at market value.

Going concern

In their assessment of going concern the trustees have considered the current and developing impact on the Society as a result of the COVID-19 virus. The value of the Society's investment portfolio has been impacted as a result of the global lockdown, and it is anticipated that income will reduce as companies restrict dividend payments in light of the economic impact of the pandemic. It is not clear how long the current circumstances are likely to last and what the long term impact will be.

The Society is in a strong financial position and cash flow is not an immediate problem. The trustees will assess income and reserves and monitor grant and other expenditure. They therefore have a reasonable expectation that the Society has adequate resources to continue in operational existence for the foreseeable future. They continue to believe the going concern basis of accounting appropriate in preparing the financial statements. There are no material uncertainties about the Society's ability to continue as a going concern.

Financial reporting standard 102 - reduced disclosure exemptions

The charity has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Income

All income is recognised in the Statement of Financial Activities once the Society has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Costs relating to charitable activities, are charged to the Statement of Financial Activities on an accruals basis. Expenditure is recognised when there is a legal or constructive obligation to pay for expenditure.

Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Cost of raising funds includes the costs incurred in respect of the investment portfolio management and costs of fundraising events.

Charitable activities costs include costs incurred directly in meeting the objects of the Society, including payment of grants, costs including support costs and governance costs apportioned to charitable activities. Support costs are incurred in support of direct expenditure.

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 30 SEPTEMBER 2020

2. ACCOUNTING POLICIES - continued

Expenditure

Governance costs, a category within Support costs, are costs attributable to compliance with the Society's constitutional and statutory requirements.

The charity is not VAT registered and accordingly expenditure is shown gross of irrecoverable VAT.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The Society is exempt from tax on its charitable activities.

Fund accounting

Funds held by the Society are either:

Unrestricted funds - these are funds which can be used in accordance with the charitable objects at the discretion of the trustees.

Endowment funds - these are funds which form the capital of the Society. The income arising from such funds is treated as unrestricted.

Restricted funds - these are funds that can only be used for the particular restricted purpose as specified by the donor.

Further explanation of the nature and purpose of each restricted fund is included in the notes to the financial statements.

Fixed asset investments

Investments are initially recognised at their transaction value and subsequently measured at their market value as at the balance sheet date using the closing quoted market value. The Statement of Financial Activities includes net gains and losses arising on revaluation and disposals throughout the year.

Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised gains and losses are combined in the Statement of Financial Activities.

Financial instruments

The Society only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Cash and cash equivalents

Cash and cash equivalents includes cash, bank and deposit accounts with a short term of maturity, being twelve months or less, from opening of the deposit or similar account.

Creditors

Other creditors are recognised where the Society has a present obligation resulting from a past event that will probably result in a transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Other creditors are normally recognised at their settlement amount after allowing for any trade discounts due.
